## **Disclaimer website [www.cadran.nl](http://www.cadran.nl)**

### **General**

The conditions of this disclaimer apply to this website [www.cadran.nl](http://www.cadran.nl) of the private limited liability company Cadran Consultancy B.V. of Hoevelaken, the Netherlands, hereinafter referred to as 'Cadran'.

Please read this disclaimer with care. By accessing this website or using information presented on or via this website, you declare your consent to this disclaimer.

This website is intended solely to provide general information on Cadran, the products and services offered by Cadran and the organisations with which Cadran cooperates. The information on this website is not binding on Cadran. No rights may be derived from the information on this website.

No agreement for services with Cadran comes about by accessing this website, through the information on this website and/or through the use of the reply form on this website, nor do this website and its contents constitute an offer to contract an agreement. Please contact Cadran for concluding an agreement for services.

In the event of any conflict between the conditions for specific products and services and this disclaimer, the conditions for those specific products and services take precedence.

### **Use of the website**

You use this website and the information presented on this website at your own risk. The information provided on or via website cannot be used instead of advice.

Although Cadran makes efforts to provide accurate, full and up-to-date information from reliable sources, Cadran provides no explicit or implicit guarantee that the information offered on or via this website is accurate, complete or up to date, nor that this website is free of errors, defects or malware.

Use of this website that could obstruct use by other internet users, jeopardise the operation of this website and/or could harm the information presented on or via this website or underlying software, is not permitted. Changes to the information presented on this website are not permitted.

### **Information from third parties, products and services**

If Cadran offers hyperlinks to third-party websites, you use such hyperlinks entirely at your own risk. Cadran accepts no liability whatsoever for the content, use or availability of such websites or for products or services offered on such websites, or their quality. Cadran has not verified the accuracy, reliability and completeness of information on such websites.

### **Intellectual and industrial property rights**

Cadran holds and retains all intellectual and industrial property rights relating to all information presented on or via this website, including all texts, graphical material and logos. You are permitted to copy, download, disclose, circulate or reproduce the information presented on this website, subject to the following conditions:

- You use this information solely for informative purposes and not for commercial purposes of parties other than Cadran;
- This information may not be altered or adjusted in any way;
- All references to intellectual and industrial property rights in this information shall be presented without change.

The intellectual and industrial property rights of a website accessed via a hyperlink and the information on that website are held by the right-holder of that website.

The hyperlinks on the Cadran website to third-party websites and information stored via these hyperlinks may be copied, downloaded, disclosed, circulated or reproduced only subject to the conditions imposed for that purpose by the right-holder of that information.

### **Exclusion of liability**

Cadran accepts no liability whatsoever for any damage, including but not limited to direct, indirect, material or intangible damage or consequential loss (including loss of earnings), regardless of whether Cadran has been notified of the possibility of such damage, arising in any way through, but not necessarily limited to:

- the use of this website and the information posted on it;
- defects, viruses, malware or other shortcomings of appliances and other software in connection with access to and use of this website;
- information offered on or via this website;
- the hacking, alteration or unfair use of information sent to Cadran or to you;
- the effects of the non-availability of this website;
- abuse of this website or the contents of this website;
- loss of data;
- downloading or use of software made available via this website;
- third-party claims in connection with the use of this website.

The exclusion of liability also extends to directors and employees of Cadran, third parties deployed by Cadran and legal entities affiliated to Cadran.

If Cadran is liable in any circumstances, its liability is limited to the amount paid out by its liability insurance in the case in question. This also applies if indemnification is claimed from Cadran.

### **Availability of website and changes**

Cadran shall make efforts to make this website available. Cadran does not guarantee that this website and the information on this website will be available at all times, without interruption or in full.

Cadran reserves the right to:

- block or disable this website unannounced, for the purposes of maintenance, adjustment or improvement or for other purposes;
- make unannounced revisions, additions to, deletions of or other alterations to parts of this website;
- change the information offered on or via this website, including the text of this disclaimer, at any time without making any further announcement in this regard. It is advisable to check regularly whether the information presented on or via this website, including the text of this disclaimer, has been changed.

### **Applicable law, competent court and versions of the disclaimer**

This website and the disclaimer are governed by Dutch law.

All disputes arising on the basis of or in connection with this website and this disclaimer shall be submitted solely to the District Court of Gelderland in Arnhem, the Netherlands.

If versions of the disclaimer in other languages show discrepancies or lead to differences in interpretation, the Dutch version will prevail.
